

How do I fund my injury claim?

To understand how you might fund an injury claim answer the two questions opposite. If we take on your claim and act on your behalf, sometimes the answers may only become apparent as we check with the insurers.

Some of the options for funding include:

1. **Conditional Fee Agreement (CFA) often known as NO WIN NO FEE.**
2. **Legal Expenses Insurance (LEI)**
3. **Trade Union cover through you or a family member.**

But there are other alternative sources we may be able to use following investigation.
